Building a Future-Ready Bank

 11 June 2026

 Shangri-La The Shard, London

LONDON SUMMIT AGENDA

09:00 - 09.45 AM **Breakfast and Registration**

09.45 - 10.00 AM **Keynote Address**

10.00 - 10.15 AM **Market Overview and Trends**

10.15 - 10.55 AM **Panel 1: Future of Banking | A Business Leadership Strategic Perspective**

This panel will explore how banking strategy is evolving in response to changing technology, customer expectations, and market dynamics. The discussion will also cover the organisation structure, skills, and culture required for banks to become future-ready.

10:55 - 11:35 AM **Panel 2: NextGen Transaction Banking | The Digital Value Chain from SMEs to Corporates**

This session will focus on how transaction banking is unlocking new efficiencies across SMEs, mid-market clients, and large corporates. The panel will cover innovation across payments, trade finance, and cash management, along with the opportunities and challenges in building a more connected digital ecosystem.

11:35 - 11:50 AM **Tea/Coffee Break**

11.50 - 12.30 PM

Panel 3: AI in Action | Pioneering the Next Wave of Digital Banking

This panel will discuss how AI is reshaping financial services by enabling personalized customer experiences, improving operational efficiency, and supporting real-time decision-making. The conversation will also explore the opportunities and challenges financial institutions face while adopting AI and analytics at scale.

12.30 - 01.10 PM

Panel 4: NextGen Digital Banking | Rewiring Core, Lending and Payments for the Future

This session will explore how banks are modernizing core platforms, lending journeys & payments infrastructure to build more agile, real-time and customer-centric digital banking models. It will cover how API-led architecture, scalable technology & stronger execution can help banks accelerate innovation, improve operational efficiency & remain future-ready.

01.10 - 01.45 PM
